

Polimod

Get to Know Polimod's Colorful World

1

PURPLE MORE THAN 400 DIFFERENT PRODUCTS IN **PURPLE** MORE THAN 20 COLORS

Inspired by the unique nature of Türkiye, Polimod Company brings specially designed flower pots, garden and camping products, accessories and household appliances to your living spaces with its Poliwork and Petwork brands. We manufacture functional and economical products by combining the possibilities of high technology with our specialist team.

2

MAKING A DIFFERENCE

We believe in every product we make with the motto "Enjoy nature!" and infuse our products with love and expertise. From our design studio to customer support services, we passionately carry out our work and strive for excellence. Always prioritizing your demands, Polimod aims to continuously improve its product range with research and development studies created with environmentalist approaches.

3

AN AVANT-GARDE, INNOVATIVE PRODUCT RANGE

We leave a mark on your mind with our garden and pet products, bringing vibrant colors and creative designs to your favorite places. We aim to create and perpetuate our avant-garde identity in our sector with each of our patented designs. We closely follow global trends and design "innovative" products in line with evolving needs.

4

YOU DEMAND IT; WE PRODUCE IT!

Derived from the satisfaction of millions, Polimod offers new ideas and creative designs to enrich and refresh your living spaces. Discover new members of the plant world with Poliwork products and bring joy to your paw friends with Petwork products. We continue to draw inspiration from nature, bringing its elegance and revitalizing energy to your home, balcony, terrace, and gardens.

5

FROM TURKEY TO THE WORLD

In addition to Türkiye, we have a broad supply network worldwide. Our brand serves customers domestically and internationally with world-class injection devices, modern molds, and a 4,000-pallet warehouse. Committed to new strategies, our brand invests in machinery as part of our ongoing growth.

Where and how do we work?

Founded in 2012 with 30 years of experience, Polimod Plastic Products Ind. Trade Ltd. Co. has been operating since 2017 in the Manisa-Salihli Organized Industrial Zone.

We manufacture on a vast area exceeding 15,000 square meters, including 4,000 square meters of open space. Our fully equipped factory conducts research and development activities and mold production with a team of 70 employees, achieving a monthly production capacity of 300 tons.

Our brand, certified by Sedex and committed to sustainability, uses 100% solar energy and 90% recycled materials in production. As a global brand exporting to 30 countries, we utilize Izmir Port for export shipments.

Our registered products under the Poliwork and Petwork brands are readily available in major retail chains such as Carrefour, Migros, Metro, BIM, Şok, Evidea, Tedi, and similar stores.

TALOS 30

Floor Tiles

Color Options

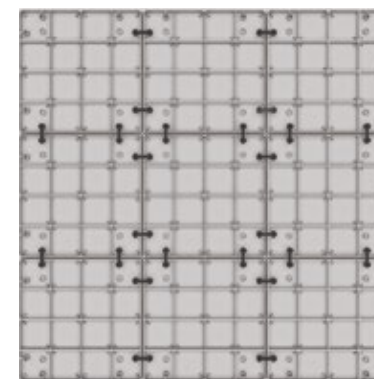

FRONT VIEW

Front View Diagram

This diagram illustrates the installation layout of the 9 tiles in the Talos 30 Floor Tile set. The placement points of the pins are indicated. Please align the parts according to the diagram and proceed with the installation accordingly.

BACK VIEW

Back View Diagram

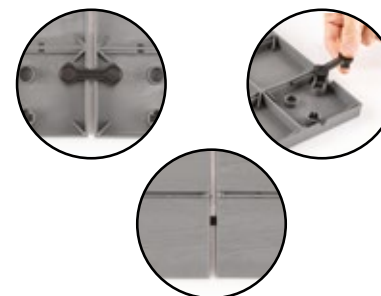

This diagram illustrates how the pins should be placed on the underside of the tiles. During installation, securely attach the pins to the designated points as shown in the diagram.

Pin Usage:

- 9 tiles are connected using 24 pins.
- 12 spare pins are included for additional connections.
- A total of 36 pins are provided in the set.

Recommendations:

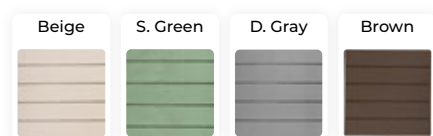

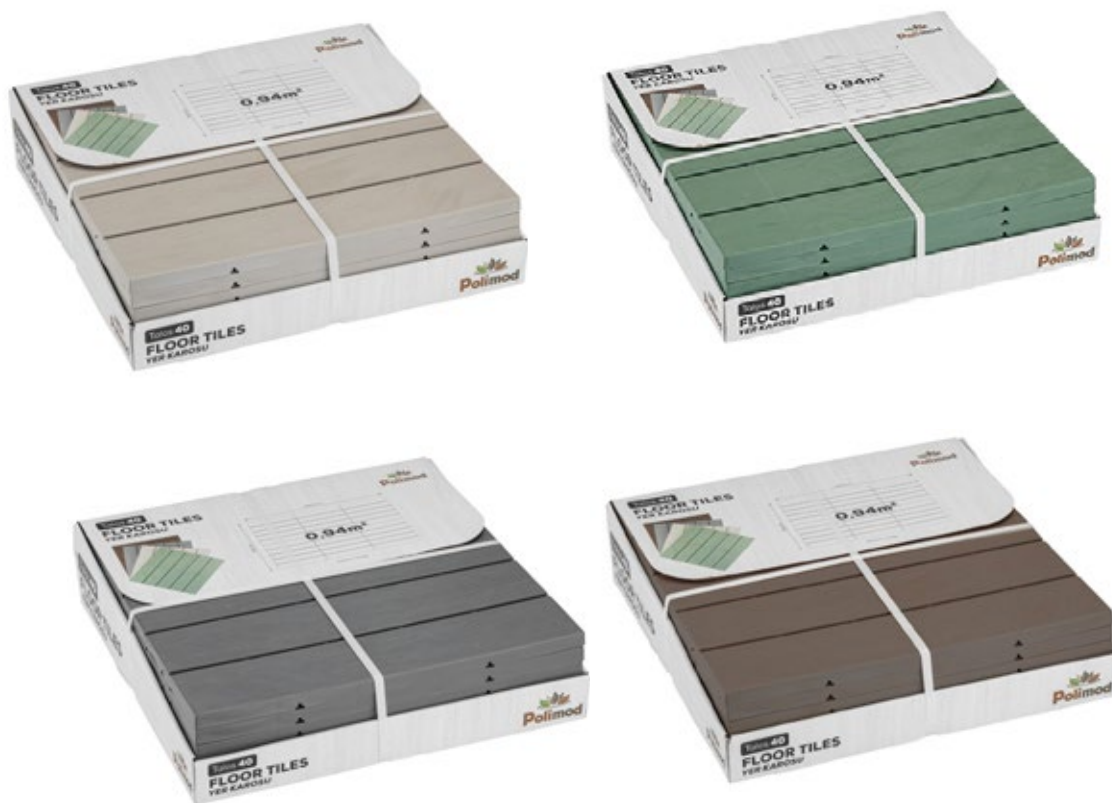

- Ensure that the floor is flat and clean before installation.
- After placing the pins, gently press them into place to ensure a secure fit.
- When securing the tiles together, refer to the diagrams for correct alignment.

FRONT VIEW

Front View Diagram

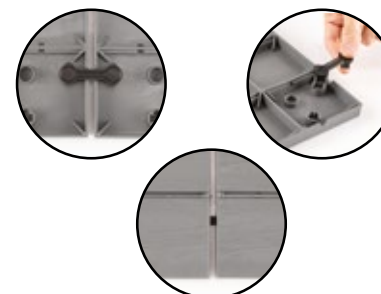

This diagram shows the assembly layout of the 6 pieces in the Talos 40 Floor Tile set. The pin placement points are indicated. Please align the pieces according to the diagram to complete the assembly correctly.

BACK VIEW

Back View Diagram

This diagram shows how the pins should be placed on the underside of the tiles. During assembly, ensure the pins are securely inserted into the designated points.

Pin Usage:

- 14 pins are used to connect 6 tiles.
- 10 spare pins are included for additional connections.
- A total of 24 pins are provided in each set.

Recommendations:

- Ensure that the surface is flat and clean before installation.
- Make sure the pins are fully inserted by pressing them in gently.
- When connecting the tiles, use the diagrams as a reference to align them properly.
